<div> <div>Direction:</div> <div>Standing on Forestview Drive, looking south.</div> </div>	
<div> <div>Comments:</div> <div>Looking at cleared access road from Forestview Drive to Reach 5E staging area.</div> </div>	

Representative Project Photographs	
<div>Site Name: Remedial Action For Reach 5E</div> <div>Project Number: B0071026.0000</div>	
Site Location: DuPage County, Illinois	
Photographer: Mike Savage ARCADIS	
Date: August 21, 2007	
Direction: In Emerald Green subdivision, standing at north end of pond looking north.	
Comments: Preconstruction, showing heavily wooded area along west bank of Emerald Green (right side of photo), in high water condition.	
Photographer: Mike Savage ARCADIS	
Date: March 13, 2008	
Direction: At Parcel 0427406011 at northeast corner of Williams Road and West Branch of DuPage River, looking north.	
Comments: Looking at wooded east bank, with trees in orange ribbon marked to be removed for excavation/access road.	

Representative Project Photographs	
Site Name: Remedial Action For Reach 5E	Project Number: B0071026.0000
Site Location: DuPage County, Illinois	
Photographer: Mike Savage ARCADIS	
Date: October 8, 2007	
Direction: Standing north of pond outlet in Emerald Green Subdivision, looking north.	
Comments: Showing tree and shrub removal completed on berm between pond and river.	
Photographer: Marcus Dickhut SES	
Date: September 18, 2007	
Direction: In Emerald Green Subdivision south of northern knoll, looking northeast.	
Comments: Excavation of overburden from Excavation Area R5E-6, with GPS surveying and dust control (laborer on left hosing down area).	

Representative Project Photographs	
<div>Site Name: Remedial Action For Reach 5E</div> <div>Project Number: B0071026.0000</div>	
Site Location: DuPage County, Illinois	
Photographer: Marcus Dickhut SES	
Date: October 8, 2007	
Direction: Standing near Emerald Green's pond outlet, looking north.	
Comments: Showing MoVax equipment sitting on berm between pond and river, installing 3-sided sheetpiling enclosure in river.	
Photographer: Mike Savage ARCADIS	
Date: October 23, 2007	
Direction: Standing on berm between Emerald Green pond and river, looking east.	
Comments: Placing concrete articulated mats in riverbed for minor river crossing.	

Representative Project Photographs

Site Name: Remedial Action For Reach 5E

Project Number: B0071026.0000

Site Location: DuPage County, Illinois

Photographer:
Mike Savage
ARCADIS

Date:
November 1, 2007

Direction:

In Emerald Green
adjacent to northern
building, looking south.

Comments:
Showing excavation to
expose and protect
ComEd electrical buried
cable.

Photographer:
Mike Savage
ARCADIS

Date:
November 1, 2007

Direction:

In Emerald Green
adjacent to northern
driveway, looking
northwest.

Comments:
Showing existing
stormwater catch basin,
with existing storm
sewer from driveway
tied in to basin, and new
plastic storm sewer
discharge piping.

Representative Project Photographs	
Site Name: Remedial Action For Reach 5E	Project Number: B0071026.0000
Site Location: DuPage County, Illinois	
Photographer: Mike Savage ARCADIS	
Date: November 13, 2007	
Direction: In Emerald Green at pond outlet, looking north.	
Comments: Showing berm between pond and river after completion of topsoiling, hydroseeding and installation of erosion control blankets.	
Photographer: Mike Savage ARCADIS	
Date: November 13, 2007	
Direction: In Emerald Green, looking north at berm between pond (on left) and river.	
Comments: Berm has been backfilled, topsoiled, and hydroseeded. Note areas of undisturbed lawn along sheetpile wall of pond.	

Representative Project Photographs	
<div> <div>Site Name: Remedial Action For Reach 5E</div> <div>Project Number: B0071026.0000</div> </div>	
<div>Site Location: DuPage County, Illinois</div>	
<div> <div>Photographer:</div> <div>Mike Savage</div> <div>ARCADIS</div> </div>	
<div> <div>Date:</div> <div>November 13, 2007</div> </div>	
<div> <div>Direction:</div> <div>Preconstruction, looking east at peninsula on Parcel 0427402001 on Renouf Drive.</div> </div>	
<div> <div>Comments:</div> <div>Preconstruction conditions of peninsula.</div> </div>	
<div> <div>Photographer:</div> <div>Mike Savage</div> <div>ARCADIS</div> </div>
